And just so I understand, what courts are you expected at tomorrow?

Guys,

I should be trying this case on Thursday if the defendant appears (which is always the big if). It looks like there is only one judge available to hear trials, and there is at least one case that will get a higher priority than us. If you can send me

cell phone numbers I'll be able to coordinate with you as the day goes on (i.e. call you off the minute I know we won't have a trial, and let you know what time I anticipate needing you if we will have a trial).

Thanks,

Vince
